PROXY STATEMENT

TO BE HELD ON TUESDAY, AUGUST 31, 2010

GENERAL INFORMATION

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (the "Board") of CryoPort, Inc., a Nevada corporation (referred to as "we," "us," "our," "Company" or "CryoPort"), with respect to the 2010 Annual Meeting of Stockholders of the Company and any adjournment thereof (the "Annual Meeting") to be held at the offices of Snell & Wilmer, L.L.P. located at 600 Anton Boulevard, Suite 1400, Costa Mesa, California 92626, at 10:00 a.m. local time.

The Proxy Statement and the form of proxy relating to the Annual Meeting are first being made available to stockholders on or about July [], 2010.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting To Be Held On August 31, 2010.

The Proxy Statement and 2010 Annual Report are available on the Internet at the following website <https://materials.proxyvote.com/229050>. Information on the website does not constitute a part of this Proxy Statement.

What is the purpose of the Annual Meeting?

The matters to be voted upon at the Annual Meeting are:

- (1) To re-elect four directors;
- (2) To ratify the appointment of KMJ Corbin & Company LLP as the independent registered public accounting firm of the Company and its subsidiary for the fiscal year ending March 31, 2011;
- (3) To approve an amendment to the Company's Amended and Restated Articles of Incorporation to authorize a class of undesignated or "blank check" preferred stock, consisting of 2,500,000 authorized shares, which may be issued in one or more series, with such rights, preferences, privileges and restrictions as shall be fixed by the Company's Board; and
- (4) To transact such other business as may properly come before the meeting or any adjournment thereof.

Why am I being provided with these materials?

Owners of record of the Company's common stock as of the close of business on July 9, 2010 (the "Record Date") are entitled to vote in connection with the Annual Meeting. As a stockholder, you are requested to vote on the Proposals described in this Proxy Statement. This Proxy Statement describes the Proposals presented for stockholder action at our Annual Meeting and includes information required to be disclosed to stockholders.

Who can vote in connection with the Annual Meeting?

You may vote if you were the record owner of the Company's common stock as of the close of business on the Record Date. Each share of common stock is entitled to one vote. As of July 1, 2010, there were 8,150,255 shares of common stock outstanding and entitled to vote.

How do I vote?

There are several ways to cast your vote:

- You may vote over the Internet, by going to <https://materials.proxyvote.com/229050>. You will need to type in the Control Number indicated on your Proxy Card and follow the instructions.
- You may vote over the telephone, by dialing 1-800-690-6903 and follow the recorded instructions. You will need the Control Number indicated on your Proxy Card.
- You may vote by mailing in the Proxy Card ballot. To vote by mail using the enclosed Proxy Card (if you received a printed copy of these proxy materials by mail or if you printed a Proxy Card off the Internet), you will need to complete, sign and date your Proxy Card and return it promptly in the envelope provided or mail it to CryoPort, Inc., Catherine Doll, Assistant Secretary, 20382 Barents Sea Circle, Lake Forest, California, 92630.
- You may vote in person, at the commencement of the Annual Meeting.

How does the Board recommend that I vote my shares?

Unless you give other instructions through your proxy vote, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. For the reasons set forth in more detail later in the Proxy Statement, the Board recommends the following:

- Proposal 1: The Board recommends a vote "FOR";
Proposal 2: The Board recommends a vote "FOR"; and
Proposal 3: The Board recommends a vote "FOR".

We encourage all stockholders to vote their shares. If you own your shares in "street name" and do not instruct your broker or other record owner of the shares as to how to vote, such broker or other record owner may vote your shares pursuant to its discretionary authority, at least with respect to Proposal 2.

What types of votes are permitted on each Proposal?

- Proposal 1: You may either vote "FOR" all the nominees to the Board, you may "WITHHOLD" for all nominees, or you may "WITHHOLD" your vote from any nominee you specify.
Proposal 2: You may vote "FOR," "AGAINST" or "ABSTAIN".
Proposal 3: You may vote "FOR," "AGAINST" or "ABSTAIN".

If you vote "WITHHOLD" (in the case of Proposal 1 above) or "ABSTAIN" (in the case of Proposals 2 and 3 above) your vote will not be counted towards the vote total for such Proposal.

How many votes are needed to approve each Proposal?

- Proposal 1: The four nominees receiving the most "FOR" votes will be elected.
Proposal 2: There must be a "FOR" vote from the majority of votes cast.
Proposal 3: There must be a "FOR" vote from the majority of outstanding shares of common stock.

The Board will be elected by a favorable vote of a plurality of the shares of common stock present and entitled to vote, in person or by proxy, at the Annual Meeting. Accordingly, abstentions and broker non-votes as to the election of directors will not be counted in determining which nominees received the largest number of votes cast.

What constitutes a quorum?

To carry on the business of the meeting, we must have a quorum. A quorum is present when a majority of the outstanding shares, as of the Record Date, is represented in person or by proxy. Shares owned by the Company are not considered outstanding or present at the meeting. Shares that are entitled to vote but that are not voted at the direction of the beneficial owner (called abstentions) and votes withheld by brokers in the absence of instructions from beneficial owners (called broker non-votes) will be counted for the purpose of determining whether there is a quorum for the transaction of business at the meeting.

What are broker non-votes?

Broker non-votes occur with respect to shares held in "street name," in cases where the record owner (for instance, the brokerage firm, or bank) does not receive voting instructions from the beneficial owner and the record owner does not have the authority to vote those shares.

Various national and regional securities exchanges, including the rules of the New York Stock Exchange, applicable to brokers, banks, and other holders of record determine whether the record owner (for instance, the brokerage firm, or bank) is able to vote on a proposal if the record owner does not receive voting instructions from the beneficial owner. The record owner may vote on proposals that are determined to be routine under these rules and may not vote on proposals that are determined to be non-routine under these rules. If a proposal is determined to be routine, your broker, bank, or other holder of record is permitted to vote on the proposal without receiving voting instructions from you. The proposal to ratify the appointment of our independent registered public accounting firm is a routine matter and the record owner may vote your shares on this proposal if it does not get instructions from you.

The proposal to elect directors and the proposal to approve an amendment to our Amended and Restated Articles of Incorporation are non-routine and the record owner may not vote your shares on either of these proposals if it does not get instructions from you. If you do not provide voting instructions on these two matters, a broker non-vote will occur. Broker non-votes, as well as "ABSTAIN" votes, will each be counted towards the presence of a quorum but will not be counted towards the vote total for any Proposal.

What if my shares are not registered directly in my name but are held in "street name"?

If at the Record Date your shares were held in "street name" (for instance, through a brokerage firm or bank), then you are the beneficial owner of such shares, and such shares are not registered directly in your name. The organization holding your account is considered the stockholder of record for purposes of the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. You will receive the notice and other proxy materials if requested, as well as voting instructions, directly from that organization.

If I am a beneficial owner of CryoPort shares, how do I vote?

If you are a beneficial owner, you will need to follow the voting instructions provided to you by the organization holding your account (for instance, your brokerage firm). To request documents or if you have any questions about voting, you will need to contact your broker. As a beneficial owner, if you would like to vote in person at the Annual Meeting, you must obtain a Legal Proxy from your broker or other applicable registered owner of your shares, in advance of the meeting.

Can I dissent or exercise rights of appraisal?

Neither Nevada law nor our Amended and Restated Articles of Incorporation or Bylaws provide our stockholders with dissenters' or appraisal rights in connection with any of the proposals to be presented at the Annual Meeting. If the proposals are approved at the Annual Meeting, stockholders voting against such proposals will not be entitled to seek appraisal for their shares.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of our common stock that you owned as of the close of business on the Record Date.

How are the votes counted?

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting who will separately tabulate affirmative and negative votes and abstentions. Any information that identifies a stockholder or the particular vote of a stockholder is kept confidential.

Will stockholders be asked to vote on any other matters?

The Board is not aware of any other matters that will be brought before the stockholders for a vote. If any other matters properly come before the meeting, the proxy holders will vote on those matters in accordance with the recommendations of the Board or, if no recommendations are given, in accordance with their own judgment. Stockholders attending the meeting may directly vote on those matters or they may vote by proxy.

How many Annual Reports and Proxy Statements are delivered to a shared address?

If you and one or more holders of our common stock share the same address, it is possible that only one Proxy Statement and Annual Report was delivered to your address. This is known as "householding." We will promptly deliver a separate copy of either document to you if you call or write us at our principal executive offices, 20382 Barents Sea Circle, Lake Forest, California 92630 Attn: Assistant Secretary, telephone: (949) 470-2300. If you want to receive separate copies of the Proxy Statement or Annual Report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address and telephone number.

What does it mean if I receive more than one Notice or Proxy Card?

If you receive more than one Proxy Card, your shares are owned in more than one name or in multiple accounts. In order to ensure that all of your shares are voted, you must follow the voting instructions included in each Proxy Card.

Can I change or revoke my vote after I submit my proxy?

Even after you have submitted your Proxy Card or voted by telephone or by Internet, you may change or revoke your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a signed Proxy Card bearing a later date. The powers of the proxy holders will be suspended with respect to your shares if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

Who pays the cost of proxy solicitation?

The Board is soliciting the enclosed proxy. The Company bears the cost of the solicitation of proxies. The Company may solicit consenting stockholders over the Internet, by telephone or by mail. We will request banks, brokerage houses, nominees and other fiduciaries nominally holding shares of our common stock to forward the proxy soliciting materials to the beneficial owners of such common stock and to obtain authorization for the execution of proxies. We will, upon request, reimburse such parties for their reasonable expenses in forwarding proxy materials to the beneficial owners. In the event we decide to hire a service to solicit proxies, we would expect such service to cost less than \$10,000 plus reasonable and approved out-of-pocket expenses.

PROPOSAL 1 – ELECTION OF DIRECTORS

The Board currently consists of four directors. Directors are elected on an annual basis. All of the current directors will stand for re-election at the Annual Meeting to serve as a director until the 2011 Annual Meeting of the Stockholders or until their successors are duly elected and qualified or their earlier death, resignation, or removal. The persons named on the proxy will vote to elect all of the nominees as directors for terms ending at the 2011 Annual Meeting of the Stockholders unless you withhold authority to vote for any or all of the nominees by voting to that effect or so voting in person. Each nominee has consented to serve as a director for the ensuing year. If one or more of the four nominees becomes unavailable to serve prior to the date of the Annual Meeting, the persons named as proxy holders will vote those shares for the election of such other person(s) as the Board may recommend, unless the Board reduces the total number of directors.

Directors are elected by a plurality of the shares represented at the meeting, whether in person or by proxy. Votes may be cast “FOR” all nominees, “WITHHOLD” for all nominees, or “WITHHOLD” as to specific nominees. The four nominees who receive the greatest number of votes cast “FOR” the election of such nominees shall be elected as directors.

The four nominees for election as Directors are set forth in the following table:

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR ELECTION OF EACH OF THE NOMINEES

BOARD INFORMATION AND DIRECTOR NOMINATION PROCESS

How often did the Board meet during the Company's fiscal year 2010?

During the fiscal year ended March 31, 2010 ("fiscal 2010"), there were 14 meetings of the Board as well as several actions taken with the unanimous written consent of the directors. None of our directors attended fewer than 75% of the meetings of the Board held during the director's service or of any Committee on which the director served during fiscal 2010. While the Company has no formal policy on the matter, directors are generally expected to attend our Annual Meetings. All of the directors who were directors at the time attended our 2009 Annual Meeting of Stockholders.

Do we have independent directors?

Our Board has affirmatively determined that three of the four current directors who have been nominated for re-election at the Annual Meeting are “independent” as such term is defined under NASDAQ Rule 5605(a)(2) and the related rules of the Securities and Exchange Commission (the “SEC”), with Mr. Johnson, Mr. Michelin and Mr. Bonde being determined to be independent.

Gary C. Cannon was a director from 2005 until his resignation from the Board on May 4, 2009. Mr. Cannon was considered independent under the NASDAQ rules. Thomas S. Fischer, PhD, was a director from 2005 until his resignation from the Board on July 14, 2009. Dr. Fischer was considered independent under the NASDAQ rules. Peter Berry was a director from 2002 until his resignation from the Board effective July 30, 2009. Mr. Berry, who also served as our chief executive officer from December 2002 to February 2009, was not considered independent under NASDAQ rules.

How did the Board make its independence determinations?

The Company is quoted on the Over-The-Counter Bulletin Board system, which does not require director independence requirements. However, for purposes of determining director independence, we have applied the definitions set forth in NASDAQ Rule 5605(a)(2) which states, generally, that a director is not considered to be independent if he or she is, or at any time during the past three years was an employee of the Company; or if he or she (or his or her family member) accepted compensation from the Company in excess of \$120,000 during any twelve month period within the three years preceding the determination of independence. Accordingly, Mr. Stambaugh would not be considered an independent director.

What Committees has the Board established?

The Board has established an Audit Committee, a Compensation Committee and Nomination and Governance Committee.

Audit Committee. The functions of the Audit Committee are to (i) review the qualifications of the independent auditors, our annual and interim financial statements, the independent auditor’s report, significant reporting or operating issues and corporate policies and procedures as they relate to accounting and financial controls; and (ii) to consider and review other matters relating to our financial and accounting affairs. The Company’s Board has a formally established Audit Committee and adopted an Audit Committee charter. The Audit Committee’s charter is available on the Company’s website at www.cryoport.com under the tab “Corporate Governance” which is found under the heading “Company.” Information on the website does not constitute a part of this Proxy Statement.

The members of the Audit Committee are Adam Michelin, who is the Audit Committee Chairman, and Carlton M. Johnson, Jr. and John H. Bonde. The Company has determined that (i) Adam Michelin qualifies as an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K of the SEC rules and is “independent” within the meaning of NASDAQ Rule 5605(a)(2) and the related rules of the SEC, and (ii) Carlton M. Johnson, Jr. and John H. Bonde each meets NASDAQ’s financial literacy and financial sophistication requirements and is “independent” within the meaning of NASDAQ Rule 5605(a)(2) and the related rules of the SEC. During fiscal 2010, the Company’s Audit Committee held four meetings. In addition, the Audit Committee regularly held discussions regarding the consolidated financial statements of the Company during Board meetings.

Compensation Committee. The purpose of the Compensation Committee is to discharge the Board’s responsibilities relating to compensation of the Company’s directors and executive officers, to produce an annual report on executive compensation for inclusion in the Company’s Proxy Statement, as necessary, and to oversee and advise the Board on the adoption of policies that govern the Company’s compensation programs including stock incentive and benefit plans. In May 2010, the Company’s Board adopted a Compensation Committee Charter. Previously, the Committee was known as the “Compensation and Governance Committee.” The Compensation Committee’s charter is available on the Company’s website at www.cryoport.com under the tab “Corporate Governance” which is found under the heading “Company.” Information on the website does not constitute a part of this Proxy Statement.

The current members of the Compensation Committee are Carlton M. Johnson, Jr., who is the Chairman of the Compensation Committee, and Mr. Adam Michelin and Mr. John H. Bonde, each of whom is independent under applicable independence requirements. Each of the current members of the Compensation Committee is a “non-employee director” under Section 16 of the Exchange Act and an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The Compensation Committee met four times during fiscal 2010. Mr. Cannon served as a member of the Compensation Committee during fiscal 2010, but resigned as a director and Compensation Committee member in May 2009.

Nomination and Governance Committee. In May 2010, the Company established the Nomination and Governance Committee. The function of the Nomination and Governance Committee is to (i) make recommendations to the Board regarding the size of the Board, (ii) make recommendations to the Board regarding criteria for the selection of director nominees, (iii) identify and recommend to the Board for selection as director nominees individuals qualified to become members of the Board, (iv) recommend committee assignments to the Board, (v) recommend to the Board corporate governance principles and practices appropriate to the Company, and (vi) lead the Board in an annual review of its performance. The Nomination and Governance Committee’s charter is available on the Company’s website at www.cryoport.com under the tab “Corporate Governance” which is found under the heading “Company.” Information on the website does not constitute a part of this Proxy Statement.

The current members of the Nomination and Governance Committee are Mr. John H. Bonde, who is the Chairman of the Nomination and Governance Committee, and Mr. Carlton M. Johnson, Jr. and Mr. Adam M. Michelin. The Nomination and Governance Committee did not exist during fiscal 2010, so no meetings of this Committee were held in fiscal 2010.

What are the Nominating Procedures and Criteria?

Director Qualifications. The Nomination and Governance Committee believes that persons nominated to the Board should have personal integrity and high ethical character. Candidates should not have any interests that would materially impair his or her ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by a director to the Company and its stockholders. Candidates must be able to represent fairly and equally all stockholders of the Company without favoring any particular stockholder group or other constituency of the Company and must be prepared to devote adequate time to the Board and its committees. In selecting nominees for director, the Nomination and Governance Committee will assure that:

- The three directors currently comprising the Audit Committee satisfy the financial literacy requirements required for service on the Audit Committee; and
- At least one of the directors qualifies as an Audit Committee financial expert under the rules of the SEC.

Identifying Director Candidates. The Nomination and Governance Committee utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Nomination and Governance Committee has a policy of re-nominating incumbent directors who continue to satisfy the committee’s criteria for membership and whom the Nomination and Governance Committee believes continue to make important contributions to the Board and who consent to continue their service on the Board.

In filling vacancies of the Board, the Nomination and Governance Committee will solicit recommendations for nominees from the persons the committee believes are likely to be familiar with (i) the needs of the Company and (ii) qualified candidates. These persons may include members of the Board and management of the Company. The Nomination and Governance Committee may also engage a professional search firm to assist in identifying qualified candidates.

In evaluating potential nominees, the Nomination and Governance Committee will oversee the collection of information concerning the background and qualifications of the candidate and determine whether the candidate satisfies the minimum qualifications required by the Committee for election as director and whether the candidate possesses any of the specific skills or qualities that under the Board’s policies must be possessed by one or more members of the Board.

The Nomination and Governance Committee does not have a written policy with respect to Board diversity; however, the committee's goal is to assemble a Board that brings to the Company a diversity of knowledge, skills and expertise derived from high quality business and professional experience. We believe a Board with these attributes leads to improved company performance by encouraging new ideas and perspectives and expanding the knowledge base available to management.

The Nomination and Governance Committee may interview any proposed candidate and may solicit the views about the candidate's qualifications and suitability from the Company's chief executive officer and other senior members of management.

The Nomination and Governance Committee will make their selections based on all the available information and relevant considerations. The Nomination and Governance Committee's selection will be based on who, in the view of the Committee, will be best suited for membership on the Board.

In making its selection, the Nomination and Governance Committee will evaluate candidates proposed by stockholders under criteria similar to other candidates, except that the Committee may consider, as one of the factors in their evaluation, the size and duration of the interest of the recommending stockholder in the stock of the Company. The Nomination and Governance Committee may also consider the extent to which the recommending stockholder intends to continue to hold its interest in the Company, including whether the recommending stockholder intends to continue holding its interest at least through the time of the meeting at which the candidate is to be elected.

Stockholder Nominees. The Nomination and Governance Committee will consider director nominee recommendations by stockholders, provided the names of such nominees, accompanied by relevant biographical information, are properly submitted in writing to the Secretary of the Corporation in accordance with the manner described for stockholder nominations under the heading "Stockholder Proposals for Annual Meeting." The Secretary will forward all recommendations to the Nomination and Governance Committee. The acceptance of a recommendation from a stockholder does not imply that the Nomination and Governance Committee will recommend to the Board the nomination of the stockholder recommended candidate.

How is the Board Structured?

Pursuant to our Bylaws, the Chairman of the Board presides at meetings of the Board. The Chairman of the Board is currently our Chief Executive Officer, Mr. Stambaugh. The Board has also designated Adam M. Michelin as Lead Independent Director. The Lead Independent Director is responsible for presiding at meetings of the Board if the Chairman is not present. Additionally, among other things, the Lead Independent Director will preside at regular meetings of independent Board members (i.e., executive sessions) without management present and develop, with collaboration with the Board, the Chief Executive Officer evaluation criteria and, in collaboration with the Compensation Committee, evaluate the Chief Executive Officer.

The Board has determined that its current structure, with a combined Chairman and Chief Executive Officer and a Lead Independent Director, is in the best interests of the Company and its stockholders. The Board believes that combining the Chairman and Chief Executive Officer positions is currently the most effective leadership structure for the Company given Mr. Stambaugh's in-depth knowledge of the Company's technology, business and industry, and his ability to formulate and implement strategic initiatives. Further, Mr. Stambaugh is intimately involved in the day-to-day operations of the Company and is thus in a position to elevate the most critical business issues for consideration by the independent directors of the Board.

We believe the Lead Independent Director and the independent nature of the Audit Committee, the Compensation Committee, and the Nomination and Governance Committee, as well as the practice of the independent directors regularly meeting in executive session without Mr. Stambaugh and the other members of the Company's management present, ensures that the Board maintains a level of independent oversight of management that is appropriate for the Company.

What is the Board's Role in Risk Oversight?

The Board oversees an enterprise-wide approach to risk management that is designed to support the achievement of organizational objectives to improve long-term performance and enhance stockholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. In setting the Company's business strategy, the Board assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk for the Company.

While the Board has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives financial risk assessment reports from management. Risks related to the compensation programs are reviewed by the Compensation Committee. The Board is advised by these committees of significant risks and management's response via periodic updates.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD

The Board allows stockholders to send communications to the Board through its Nomination and Governance Committee. All such communications, except those related to stockholder proposals discussed under the heading "Stockholder Proposals for Next Annual Meeting," must be sent to the Chairman of the Nomination and Governance Committee at the Company's offices at 20382 Barents Sea Circle, Lake Forest, CA 92630.

PROPOSAL 2 – RATIFY APPOINTMENT OF KMJ CORBIN AND COMPANY LLP AS COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board (the "Audit Committee") has selected KMJ Corbin and Company LLP to audit the Company's financial statements for the fiscal year ending March 31, 2011 ("fiscal 2011"). The Board, upon the recommendation of the Audit Committee, has ratified the selection of KMJ Corbin and Company LLP as the Company's independent registered public accounting firm for fiscal 2011, subject to ratification by the stockholders. KMJ Corbin and Company LLP has served in this capacity for each of the six previous fiscal years, including fiscal 2010, and has reported on the Company's fiscal 2010 consolidated financial statements. During those six fiscal years, there were no disagreements between the Company and KMJ Corbin and Company LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

Representatives of KMJ Corbin and Company LLP are expected to be present at the meeting with the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Stockholder ratification of the selection of KMJ Corbin and Company LLP as the Company's independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of KMJ Corbin and Company LLP to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF KMJ CORBIN AND COMPANY LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2011.

PROPOSAL 3 – APPROVAL OF AMENDMENT TO AMENDED AND RESTATED ARTICLES OF INCORPORATION TO CREATE A CLASS OF UNDESIGNATED PREFERRED STOCK

The Company's Amended and Restated Articles of Incorporation do not presently authorize the issuance of shares other than common stock. On May 11, 2010, the Board voted unanimously, subject to stockholder approval, to approve a Certificate of Amendment to the Company's Amended and Restated Articles of Incorporation (the "Blank Check Preferred Articles Amendment") which creates 2,500,000 shares of undesignated preferred stock, commonly referred to as "blank check" preferred stock because the Board has discretion to designate one or more series of the preferred stock with the rights, privileges and preferences of each series to be fixed by the Board from time to time in the future. The Board believes that the authorization of undesignated preferred shares would provide the Company greater flexibility with respect to the Company's capital structure for such purposes as additional equity financings and stock based acquisitions. "Blank check" preferred stock is commonly authorized by publicly traded companies and is frequently used as a preferred means of raising capital and making acquisitions. In particular, in recent years, smaller companies have been required to utilize senior classes of securities to raise capital, with the terms of those securities being highly negotiated and tailored to meet the needs of both investors and the issuing companies. Such senior securities typically include liquidation and dividend preferences, protections, conversion privileges and other rights not found in common stock. We presently lack the authority to issue preferred stock and, accordingly, are limited to issuing common stock or debt securities to raise capital. By authorizing a class of "blank check" preferred stock, we would increase our flexibility in structuring transactions. The full text of the proposed Blank Check Preferred Articles Amendment is set forth in Exhibit A attached to this Proxy Statement.

Subject to the provisions of the Company's Amended and Restated Articles of Incorporation and the limitations prescribed by law, the Board would be expressly authorized, at its discretion, to adopt resolutions to issue shares, to fix the number of shares and to change the number of shares constituting any series and to provide for or change the voting powers, designations, preferences and relative, participating, optional or other special rights, qualifications, limitations or restrictions thereof, including dividend rights (including whether the dividends are cumulative), dividend rates, terms of redemption (including sinking fund provisions), redemption prices, conversion rights and liquidation preferences of the shares constituting any series of the preferred stock, in each case without any further action or vote by the stockholders. The Board would be required to make any determination to issue shares of preferred stock based on its judgment as to the best interests of the Company and its stockholders. The amendment to the Amended and Restated Articles of Incorporation would give the Board flexibility, without further stockholder action, to issue preferred stock on such terms and conditions as the Board deems to be in the best interests of the Company and its stockholders.

Any issuance of preferred stock with voting rights could, under certain circumstances, have the effect of delaying or preventing a change in control of the Company by increasing the number of outstanding shares entitled to vote and by increasing the number of votes required to approve a change in control of the Company. Shares of voting or convertible preferred stock could be issued, or rights to purchase such shares could be issued, to render more difficult or discourage an attempt to obtain control of the Company by means of a tender offer, proxy contest, merger or otherwise. The ability of the Board to issue such additional shares of preferred stock, with the rights and preferences it deems advisable, could discourage an attempt by a party to acquire control of the Company by tender offer or other means. Such issuances could therefore deprive stockholders of benefits that could result from such an attempt, such as the realization of a premium over the market price that such an attempt could cause. Moreover, the issuance of such additional shares of preferred stock to persons friendly to the Board could make it more difficult to remove incumbent managers and directors from office even if such change were to be favorable to stockholders generally.

While the Blank Check Preferred Articles Amendment may have anti-takeover ramifications, the Board believes that the financial flexibility offered by such amendment outweighs any disadvantages. To the extent that such amendment may have anti-takeover effects, such amendment may encourage persons seeking to acquire the Company to negotiate directly with the Board enabling the Board to consider the proposed transaction in a manner that best serves the stockholders' interests.

No Dissenter's Rights

Neither Nevada law nor our Amended and Restated Articles of Incorporation or bylaws provide our stockholders with dissenters' or appraisal rights in connection with this proposal.

Required Vote

Approval of this Proposal No. 3 requires the affirmative vote of the holders of a majority of our outstanding shares of common stock. As a result, abstentions and broker non-votes will have the same effect as negative votes.

Equity Compensation Plan Information

The Company's Compensation Committee is responsible for making, reviewing and recommending grants of options and other awards under these plans which are approved by the Board.

The 2009 Plan allows for the grant of up to 1,200,000 shares of our common stock for awards to our officers, directors, employees and consultants. The 2009 Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock rights, restricted stock, performance share units, performance shares, performance cash awards, stock appreciation rights, and stock grant awards. The 2009 Plan also permits the grant of awards that qualify for the "performance-based compensation" exception to the \$1,000,000 limitation on the deduction of compensation imposed by Section 162(m) of the Code. There were no exercises pursuant to the 2009 Plan during fiscal 2010. As of June 1, 2010, a total of 948,047 shares of our common stock remained available for future grants under the 2009 Plan.

The warrants are generally not subject to vesting requirements and have ten-year terms. During fiscal 2010, the Company issued 4,718 shares of common stock from the cashless exercises of warrants to purchase a total of 11,640 shares of common stock.

The following table sets forth certain information as of March 31, 2010 concerning the Company's common stock that may be issued upon the exercise of options or warrants or pursuant to purchases of stock under the 2002 Plan, the 2009 Plan, and other stock based compensation:

Pursuant to the Stambaugh Employment Agreement, upon any termination of Mr. Stambaugh's employment for any reason, including by the Company "for cause" (as defined in the agreement), Mr. Stambaugh will receive his salary through the date of termination and any accrued but unpaid vacation, and he will retain all of his rights to benefits earned prior to termination under Company benefit plans in which he participates. DIRECTOR COMPENSATION

Compensation for the Board is governed by the Company's Compensation Committee. The Company began making cash payments to the directors as approved by the Compensation Committee in October 2007. Directors who are also employees do not receive any additional compensation for services performed as a member of the Company's Board or any committees thereof. Prior to August 21, 2009, non-employee directors other than the Chairman of the Board received an annual cash retainer fee of \$12,700, payable in quarterly installments of \$3,175 each. Non-employee directors each received meeting fees of \$1,000 for scheduled quarterly board meetings, \$500 for special board meetings and \$1,000 for stockholder meetings, if any. Committee members received fees of \$1,000 for Audit Committee meetings, and \$900 for Compensation Committee meetings. Certain Board positions receive additional quarterly retainer fees as follows: Compensation Committee Chairman \$1,250, Board Vice Chairman \$1,275, Chairman of the Audit Committee \$1,850 and Board Secretary \$1,600. The Chairman of the Board position received all inclusive monthly fees of \$12,000 until he was also elected as President and Chief Executive Officer in February 2009 at which time these fees became executive compensation as discussed above. From time to time the Company had granted warrants to purchase common stock to the directors with exercise prices equal to the fair value as of grant date based on external expert reports and guidance through the Compensation Committee recommendations.

Effective August 21, 2009, the fees payable to non-employee directors were set at a flat fee of \$15,000 per quarter with no additional fees payable for committee membership or serving as chairman of a committee. In addition, each year non-employee directors are granted an option to purchase 5,000 shares of the Company's common stock with exercise prices equal to the closing price of the Company's common stock on the date of grant. The options will vest in four equal quarterly installments.

Effective June 4, 2010, the Board created the position of Lead Independent Director. The Lead Independent Director will be paid a flat fee of \$12,000 per quarter. In addition, each year the Lead Independent Director will also be granted a warrant or stock option to purchase a certain number of shares of the Company's common stock with an exercise price equal to the closing price of the Company's common stock on the date of grant. The exact number of shares and the vesting schedule will be determined by the recommendation of the Compensation Committee and the approval of the Board.

The following table sets forth the director compensation of the non-employee directors of the Company during fiscal 2010.

Such information will not be deemed incorporated by reference into any filing under the Securities Act or the Exchange Act, except to the extent we specifically incorporate it by reference.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has established policies and other procedures regarding approval of transactions between the Company and any employee, officer, director, and certain of their family members and other related persons, including those required to be reported under Item 404 of Regulation S-K. These policies and procedures are generally not in writing, but are evidenced by long standing principles set forth in our Code of Conduct or adhered to by our Board. As set forth in the Audit Committee Charter, the Audit Committee reviews and approves all related-party transactions after reviewing such transaction for potential conflicts of interests and improprieties. Accordingly, all such related-party transactions are submitted to the Audit Committee for ongoing review and oversight. Generally speaking, we enter into related-party transactions only on terms that we believe are at least as favorable to our company as those that we could obtain from an unrelated third party.

In August 2006, Peter Berry, the Company's former Chief Executive Officer, agreed to convert his deferred salaries to a long-term note payable. Under the terms of this note, the Company began to make monthly payments of \$3,000 to Mr. Berry in January 2007. The loan was fully paid in March 2010. Interest of 6% per annum on the outstanding principal balance of the note began to accrue on January 1, 2008. As of March 31, 2010 and 2009, the total amount of the note and accrued interest under this arrangement was \$0 and \$157,688, respectively, of which, \$0 and \$67,688, respectively, is recorded as a long-term liability in the Company's consolidated balance sheets. Interest expense related to this note was \$8,133 and \$10,573 for the years ended March 31, 2010 and 2009, respectively. Accrued interest related to this note payable amounted to \$0 and \$13,738 at March 31, 2010 and 2009, respectively, and is included in the note payable to former officer in the Company's consolidated balance sheets. In January 2009, Mr. Berry agreed to defer the monthly payments of the note due from January 31, 2009 through June 30, 2009. Effective August 26, 2009, pursuant to a letter agreement (i) the Company agreed to pay Mr. Berry the sum of \$30,000 plus accrued interest representing past due payments from January to May 2009 previously waived by Mr. Berry, (ii) Mr. Berry agreed to waive payments due to him through December 2009, and (iii) the Company agreed to pay to Mr. Berry the sum of \$42,000 plus accrued interest on January 1, 2010, representing payments due to him from June 2009 thru December 2009 liability portion of the note payable in the Company's consolidated balance sheets. In February 2009, Mr. Berry resigned his position as Chief Executive Officer.

On March 1, 2009, the Company entered into a Consulting Agreement with Peter Berry, the Company's former Chief Executive Officer. Mr. Berry provided the Company with consulting services as an independent contractor, for a ten (10) month period from March 1, 2009 through December 31, 2009, as an advisor to the Chief Executive Officer and the Board of Directors. Related-party consulting fees for these services were \$292,010 for the year ended March 31, 2010.

Since June 2005, the Company had retained the legal services of Gary C. Cannon, Attorney at Law, for a monthly retainer fee. From June 2005 to May 2009, Mr. Cannon also served as the Company's Secretary and a member of the Company's Board of Directors. Mr. Cannon continued to serve as Corporate Legal Counsel for the Company and served as a member of the Advisory Board. In December 2007, Mr. Cannon's monthly retainer for legal services was increased from \$6,500 per month to \$9,000 per month. The total amount paid to Mr. Cannon for retainer fees and out-of-pocket expenses for the year ended March 31, 2010 and 2009 was \$34,350 and \$81,000, respectively. From October 2008 through March 31, 2009 Mr. Cannon agreed to defer a portion of his monthly payments. As of March 31, 2010 and March 31, 2009 a total of \$0 and \$15,000, respectively, had been deferred and was included in accounts payable in the Company's consolidated balance sheets. Board fees expensed for Mr. Cannon were \$5,388 and \$26,850 for the years ended March 31, 2010 and March 31, 2009, respectively. At March 31, 2010 and March 31, 2009, \$7,788 and \$14,400, respectively, of deferred board fees was included in accrued compensation and related expenses. For the year ended March 31, 2009, Mr. Cannon was granted warrants to purchase a total of 9,515 shares of common stock with an average exercise price of \$6.70 per share. All warrants granted to Mr. Cannon were issued with an exercise price of greater than or equal to the stock price of the Company's shares on the grant date. During November 2009, the Company issued 4,314 shares of common stock to Mr. Cannon in lieu of payment for services for a total expense of \$22,000 which has been included in selling, general and administrative expenses. On May 4, 2009, Mr. Cannon resigned from the Company's Board of Directors and in July 2009 Mr. Cannon was given 30 days notice that he was terminated as the general legal counsel and advisor to the Company.

On July 29, 2009, the Board of Directors of the Company appointed Ms. Catherine M. Doll, a consultant, to the offices of Chief Financial Officer, Treasurer and Assistant Corporate Secretary, which became effective on August 20, 2009.

Ms. Doll is the owner and chief executive officer of The Gilson Group, LLC. The Gilson Group, LLC provided the Company financial and accounting consulting services, including SEC and financial reporting including the filing of the S-1, budgeting and forecasting and finance and accounting systems implementations and conversions.

Related-party consulting fees for these services were \$234,650 for the year ended March 31, 2010. On October 9, 2009, the Compensation and Governance Committee granted Ms. Doll an option to purchase 2,000 shares of common stock at an exercise price of \$4.50 per share (the closing price of the Company's stock on the date of grant) valued at \$8,480 as calculated using the Black-Scholes option pricing model and is included in selling, general and administrative expense. The assumptions used under the Black-Scholes pricing model included: a risk free rate of 2.36%; volatility of 182%; an expected exercise term of 4.25 years; and no annual dividend rate. The right to exercise the stock options vested as to 33 1/3% of the underlying shares of common stock upon grant, with the remaining underlying shares vesting in equal installments on the first and second anniversary of the grant date.

As of March 31, 2010, the Company had aggregate principal balances of \$1,009,500, in outstanding unsecured indebtedness owed to five related parties, including four former members of the Board, representing working capital advances made to the Company from February 2001 through March 2005. These notes bear interest at the rate of 6% per annum and provide for aggregate monthly principal payments of \$2,500 which commenced April 1, 2006, and which increased by an aggregate of \$2,500 every six months to the current maximum aggregate payment of \$10,000 per month. Any remaining unpaid principal and accrued interest is due at maturity. Related-party interest expense under these notes was \$64,496 for the year ended March 31, 2010. Accrued interest, which is included in related party notes payable in the Company's consolidated balance sheets, related to these notes amounted to \$618,756 as of March 31, 2010. As of March 31, 2010, the Company had not made the required payments under the related party notes which were due on January 1, February 1, and March 1, 2010. However, pursuant to the note agreements, the Company has a 120-day grace period to pay missed payments before the notes are in default. On April 15, 2010, May 16, 2010, and June 14, 2010, the Company paid the January 1, February 1 and March 1 payments, respectively, due on these related party notes. Management expects to continue to pay all payments due prior to the expiration of the 120-day grace periods.
